Dispute

Work description.

- Continued to review project control for the entire SFOBB laser scan. Continued to draft a schedule and plan details of the surveys, personnel, and equipment necessary to complete this task.
- Went with Saman Soheilifard and Warren Collins on their mainspan cable paint inspection.
- See Pamela Gagnier's diary for the S1/S2 Shear Key modification work today as she is tracking the labor, equipment, and work progress of Conco, IPMC, and ABFJV.

Attachment

North Sidespan cable looking south east back at the T1 tower while on the paint inspection.

Unfinished paint on suspender ropes at panel point 50S, Warren and Saman also saw this as well.
